VCS Remains Rock Solid on the HCI Top 100 List

VCS takes the 66th spot on Healthcare Informatics magazine's list of the top 100 healthcare IT companies
June 1, 2010

For the fourth year in a row Vitalize Consulting Solutions, Inc. (VCS), a leader in solution driven consulting, has been recognized by one of the healthcare industry's leading magazines, *Healthcare Informatics*, as a Top 100 Healthcare IT company. Recently published in the June issue, VCS was featured at #66 based on healthcare IT revenues from 2007-2009.

www.healthcare-informatics.com

- VCS has previously appeared on the list at #62 in 2009, #71 in 2008, and #84 in 2007.
- The HCI 100 list is a unique listing of healthcare IT vendors that provides detailed information on the industry's most successful and fastest growing companies.
- Many of the vendors that VCS partners with landed at the top of the list, including Cerner, Siemens, Epic, Eclipsys, Allscripts, and McKesson, who landed at #1 with an impression 3 billion dollars of revenue in 2009.

"We're fortunate to make the list after such a tough economic year last year. It is a tribute to our employees. We look forward to continuing to provide the most respected consultants and project managers to help our customers deliver the highest quality patient care possible," says CEO and President of VCS Bruce Cerullo.

About Organization

Founded in 1984, *Healthcare Informatics* is the industry's leading publication and vital resource for more than 40,000 healthcare IT executives who require thoughtful coverage and commentary to stay on the cutting edge of healthcare technology.

About VCS

Vitalize Consulting Solutions, Inc., Kennett Square, PA, Reading, MA, and Santa Ana, CA, provides a wide variety of clinical, business, and IT solutions for healthcare enterprises across the country. Their comprehensive range of programs and services includes system implementation, integration, optimization, project management, custom reporting, education and knowledge transfer expertise. VCS consultants and principals listen, advise and strengthen their customers in the pursuit of their strategic IT initiatives. Primarily focusing on the Cerner, Epic, Eclipsys, Siemens, McKesson, and MEDITECH users, as well as in the Ambulatory and Practice Management arena, they successfully establish long term relationships by providing experienced professionals who consistently exceed their customers' expectations.
