

## VCS Returns to Inc. 5000 List

Company Earns Laudable, 4<sup>th</sup> Consecutive Ranking in Annual  
List of Fastest Growing Private Companies of America  
August 26, 2010

- The [2010 Inc. 500/5000 List](#) ranks U.S.-based, privately held, for profit, independent companies according to percentage revenue growth from 2006 through 2009.
- For the fourth year in a row, Vitalize Consulting Solutions, Inc. (VCS) has earned a place on the Inc. 500/5000 List of fastest growing private companies in America, landing at [#1597 for 2010](#).
- VCS is ranked #38 in growth in the [Philadelphia metropolitan area](#), helping both the region (#9) and the state of Pennsylvania (#9) break into Inc. 500/5000's respective Top Ten lists.
- VCS's three-year growth rate of 179% surpasses the 96% median growth rate of 2010 list members.
- As the recession lingers and competition stiffens, VCS's fourth consecutive Inc. 5000 ranking proves that its commitment to delivering high-quality IT consultants to its clients in healthcare creates a winning combination for everyone involved.

“We are thrilled that once again our business model and execution has rendered this impressive distinction,” VCS CEO Bruce Cerullo said. “Such consistency is a testament to the professionalism of every VCS employee. Being on Inc. 500/5000's 2010 list again shows we're doing health IT right; our clients expect and deserve no less.”

After barely 5 years in existence, VCS first made the Inc. 5000 list in 2007 and has returned each succeeding year, a feat described as “rarified” by Inc. Magazine and achieved by less than 10% of aggregate qualifiers during that time. Furthermore, in terms of the Inc.'s 500/5000's categorized health industry, VCS landed at #119.

### About VCS

Vitalize Consulting Solutions, Inc., Kennett Square, PA, Reading, MA, and Santa Ana, CA, provides a wide variety of clinical, business, and IT solutions for healthcare enterprises across the country. Its comprehensive range of programs and services includes system implementation, integration, optimization, project management, custom reporting, education and knowledge transfer expertise. VCS consultants and principals listen, advise and strengthen their customers in the pursuit of their strategic IT initiatives. Primarily focusing on the Cerner, Epic, Eclipsys, Siemens, McKesson, and MEDITECH users, as well as in the Ambulatory and Practice Management arenas, VCS successfully establishes long term relationships by providing experienced professionals who consistently exceed their customers' expectations.
