**VITALIZE CONSULTING SOLUTIONS, Inc. approved by MEDITECH as an
Advanced Clinical Consulting Vendor**

Kennett Square, PA– May 7, 2009–Vitalize Consulting Solutions, Inc. (VCS) was added to MEDITECH’s list of approved advanced clinical consulting vendors. The consultants on the list represent some of the most respected and knowledgeable names in healthcare consulting. This distinction is granted to firms who have invested significant effort in gaining knowledge in MEDITECH systems and signals that VCS is a high quality vendor with a positive relationship with MEDITECH and their customers. Specifically, VCS has created a standard package for MEDITECH customers that include a Readiness Assessment and Process Redesign offering. Also, they have had many successful ACS engagements at MEDITECH sites.

VCS continues to increase their MEDITECH customer base and provide quality consultants to the growing needs of the healthcare IT community. VCS MEDITECH Practice Director, Allen Kirkpatrick says, “I’ve worked with MEDITECH and their customers for many years now; striving to understand and compliment their mission. It is a great honor to be added to this list. I am very excited to work even closer with MEDITECH and their customers to help resolve the challenging issues facing healthcare IT today. There is an emerging emphasis being placed on advanced clinical systems and VCS is commitment to helping MEDITECH customers move forward with the implementation of these systems.”

About Vitalize

Vitalize Consulting Solutions, Inc., Kennett Square, PA, Reading, MA, and Santa Ana, CA, provides a wide variety of clinical, business and IT solutions for healthcare enterprises across the country. Their comprehensive range of programs and services includes system implementation, integration, optimization, project management, custom reporting, education and knowledge transfer expertise.
