

Vitalize Consulting Solutions

Webshare Repository

The screenshot shows a web browser window displaying the Vitalize Consulting Solutions Webshare Repository. The browser's address bar shows "Done" and the status bar shows "Internet". The website has a dark blue header with navigation links: Home, Documents and Lists, Create, Site Settings, Help, and Up to Admin. The main content area is titled "Webshare Model Site Home" and features a search bar and a "Modify Shared Page" link. A vertical "Quick Launch" menu on the left lists various project-related links. The main content area is divided into sections: "Community News" with two news items, "Schedule" with a message about upcoming events, and "General Discussion" with a post titled "Your input requested!". On the right side, there are sections for "Executive Dashboards" (Project Dashboard), "Links" (PMI Global Website, HIMSS Website, etc.), "Webshare Members" (Hirshfield, Marc; Sukumar, Rahul), and "Groups" (getvitalized\pmo practice, getvitalized\vitalize_all). The "GENERAL HOSPITAL" logo is also visible in the top right area.
