

VCS JumpStart Program

PMO Practice

Based on the principals and concepts of PMI[®], the PMO JumpStart Program provides VCS customers the ability to quickly establish a Project Management Office (PMO) through the use of our proprietary VCS PMO Methodology and WebShare Repository. As part of our service offering, we deliver our tools directly to your network and engage one of our PMP[®] certified project managers to work with a selected group of leaders within your organization and build customized methodology and documentation repository (built on the MS SharePoint[®] platform).

Our tactical approach helps your organization build the necessary tools, methodology, and process to support a consistent and repeatable approach to managing projects, large and small, and support the establishment of your project management office foundation. The VCS PM works with your organization through structured work sessions in order to achieve employee and customer buy-in. VCS uses a base model methodology and templates to assist your team through work sessions and ensure the team is part of the customization, feedback, and buy-in necessary to support your newly customized methodology and tool set.

The screenshot displays two overlapping windows from the Vitalize WebShare application. The top window shows the 'Methodology' page, which includes a navigation pane on the left with sections like Documents, Lists, Discussions, Sites, and People and Groups. The main content area shows a table of files with columns for Type, Name, Modified, and Modified By. The bottom window shows an 'Example Project' site with a header for 'VITALIZE intranet.' and a navigation menu. The main content area features an 'Announcements' section with a post titled 'Example Project Site' and a 'Templates' section with a post titled 'This example project site is saved as a template...'. There is also a 'Calendar' section at the bottom.

If you have any questions or would like a demo of the PMO JumpStart Program, please feel free to email Marc Hirshfield at mhirshfield@getvitalized.com or call (610) 444.1233.
