

## PROJECT MANAGEMENT INSTITUTE REGISTERED EDUCATION PROVIDER<sup>®</sup>

VCS is an approved Registered Education Provider (REP) by the Project Management Institute (PMI). We can award your in-house project managers Professional Development Units (PDUs) toward their PMI certification with our proven JumpStart methodology. PMI requires all of their certified project management professionals to continue their education in order to earn and maintain their PMI certification. Our JumpStart program gives your project managers the necessary tools, methodology, and process to support a consistent and repeatable approach to managing projects, large and small, and support the establishment of your project management office.

### VITALIZE CAN HELP

*VCS provides the highest quality consultants experienced in a broad range of healthcare IT solutions. With our extensive clinical and financial knowledge, we have provided service to large and small healthcare enterprises on a variety of highly visible and critical implementations. VCS project managers utilize a methodology we have developed for the healthcare environment, based on best practice standards. Our team is fully equipped to augment your staff or lead your team and help realize your project goals.*
